The Advocate says, "If your husband or dad is a Navy Veteran with recently diagnosed mesothelioma in Maine, please get serious about financial compensation and try to make a list of the specifics of how he was exposed to asbestos in the navy. As a rule, a person like this was assigned to a navy ship, submarine or he spent a significant amount of time at a shipyard assisting workers with the repair of his ship or submarine. The more specific the information about the Veteran's asbestos exposure the better the possible compensation as attorney Erik Karst of Karst von Oiste is always happy to discuss anytime at 800-

714-0303. The call to Erik Karst is no obligation-and it will be very informative."
