Market Analysis, Insights and Forecast – By Technology
·       WLAN/Wi-Fi
·       WPAN
·       WiMAX
·       WWAN

Market Analysis, Insights and Forecast – By Component
·       Hardware
·       Software
·       Services

Market Analysis, Insights and Forecast – By Industry Verticals
·       Hospitals and Nursing Homes
·       Home Care

·      Pharmaceuticals
·      Other Industrial Vertical

Wireless Health Market Regional Overview

Region-wise, in terms of regions, Healthcare in Europe is increasingly becoming digitized and there's a growing have to be compelled to develop and deploy sophisticated information systems. They're already being deployed for non-intrusive patient monitoring and for keeping track of the vital metrics. This information is often relayed back to caregivers and doctors, so as to extend the efficiency of the medical treatment.

Wireless Health Market, By Geography

·      North America (US & Canada)
·      Europe (UK, Germany, France, Italy, Spain, & Rest of Europe)
·      Asia-Pacific (Japan, China, India, Australia, & South Korea, & Rest of Asia-Pacific)
·      LAMEA (Brazil, Saudi Arabia, UAE & Rest of LAMEA)

Wireless Health Market Competitor overview

Some key developments and strategies adopted by manufacturers in the Wireless Health are highlighted below.

·      In June 2019, Aerohive Networks, a pacesetter in cloud-managed networking, was announced because the second-largest vendor within the enterprise-class cloud-managed wireless LAN (WLAN) market.

Wireless Health Market, Key Players

·      Allscripts Healthcare Solutions, Inc.
·      AT &T, Inc.
·      Cerner Corporation
·      Omron Corporation
·      Philips Healthcare
·      Verizon Communications, Inc.
·      Qualcomm, Inc.
·      Aerohive Networks, Inc.
·      Vocera Communications, Inc.
·      Alcatel-Lucent
