The beach is within 2 minutes walking distance. Dreamy Ocean Drive is about 2.4 miles away or a 10-minute drive away, where iconic beach views, cafe-style dining, and Art Deco architecture set the stage for a fun-filled day. This oceanfront street is lined with quaint, pastel-hued Art Deco buildings and hotels, restaurants that spill out onto the streets, festive travelers, boutique beach shops, and more. It's the place to go for a quiet cup of coffee, an oversized margarita, and some great people-watching. It's only natural that such a stunning location has served as the setting for some of Hollywood's most iconic films and TV shows, including Scarface, The Birdcage, Miami Vice, Reno 911: Miami, Bad Boys, There's Something About Mary, Dexter, Burn Notice, Magic City, and Moonlight.
