WOODLAND HILLS, CALIFORNIA,
UNITED STATES, January 22, 2022
/EINPresswire.com/ -- California

Businessman and Rap Artist turned Producer Jamall J. Robinson acquired "Yeti Freight," a transportation service providing company renowned for the empowerment of small businesses with cutting edge solutions, for \$1.5 Million!

Jamall J. Robinson has announced the takeover of Minnesota-based, Logistic Company, "[Yeti Freight Corporation](#)," for \$1.5 Million. The Entrepreneur with

vast experience managing Transportation and Freight Brokerage companies like King Scorpion Inc and Robinson Worldwide Logistics aims to achieve global freight domination despite all challenges.

"Yeti Freight" empowers small transportation service providers in the industry with leading-edge solutions and presents a team model which allows discussions and collaborations across the companies. This collaboration leads to an exchange of strengths and talents, transforming drivers and business owners into successful entrepreneurs. "It connects small trucking companies with an opportunity to join forces with a big corporation at a fraction of the cost," says Robinson.

The company provides Dry Van, Flatbed and Temperature Control Truckload services in the U.S and across the border to Canada and Mexico. Moreover, it also offers services to streamline and improve transportation services and related processes, along with cost containment strategies for organizations of all sizes.

Its upcoming "Yeti Freight App" will allow 24-hour tracking capability and On-demand freight by directly connecting shippers and truckers it contracts with.

Jamall shared, "I already have a platform ready to go. I have plans to purchase a cargo ship and negotiate a flat rate shipping rate on both ends. We will be offering owner operators the opportunity to get loads at the shipper rate for a flat fee from the palm of their hands. I will be partnering with several shippers to connect them directly with trucks ready to move their freight". He added, "Yeti Freight will be the world's fastest-growing shipping company internationally. This is going to be bigger than any of my competitors".
