Since then, with the CAGR of 5.3 percent of expected continued annual growth, the popularity of Keto or low-carb products has stayed popular worldwide.

“I started my low-carb lifestyle several years ago before the Keto craze was in full swing,” said Jordan Sanabria, who, three years ago, combined her love for cooking and baking with her keto lifestyle and founded [Keto Queen Kreation's](#). “That is when I realized I couldn’t find tasty desserts and

breakfast, which is why I created my recipes.”

Sanabria said she started Keto Queen after her family and friends loved her low-carb desserts.

“I realized there had to be other low-carb advocates like myself who wanted scrumptious desserts,” Sanabria said. “Eventually, I quit my day job to concentrate solely on Keto Queen.”

Sanabria’s recipes first became popular on Etsy, which is when she opened Keto Queen’s [Amazon](#) store.
