This Mid-South annual show is a unique experience to see the newest in RV's, Boats, and WaveRunners, all under one roof.

Mark Hixson, owner and CEO, says "All outdoor fun products like RV's and Boats are in very high demand due to more families taking their vacations on the road. Families are looking for more outdoor experiences, together and away from the hustle and bustle. Since Covid began, families have rediscovered RVing and boating all over again."

Manufacturer Representatives from over 15 brands will be on site each weekend of the show providing the best of manufacturer incentives and education about the brands. Special financing partners will be on site to help everyone get their best possible opportunities.

The Show runs everyday from January 27-February 20. The show will reveal the latest from 20 brands in the [RV, Boating, and Waverunner categories](#).
