With the publishing of his first book, "The Journeys Of The 25 Prophets: Part-1" in 2018, Mehdi Hasan Maruf came into the limelight as a promising young writer. He proved later on that he was not there to be lost among others. His next book, "Tom Sawyer- Er Duhssahosik Ovijan", was another huge success for the readers. Most of his earlier books were family/social drama. But he proved his talent later on by writing more than a handful of science fiction, health-lifestyle, religion, and historical books as well. He even created a few characters that are known to almost everybody in Bangladesh, such as Arif Azad, Sajit, Amatullah, and Manik.
