## FINDING CORPORATE HOUSING IN WALNUT CREEK

Here is background on this release. The Bay Area is a mecca not just for tourists but also for business travelers. Beyond Silicon Valley, which is situated on the San Francisco Peninsula around Santa Clara and Cupertino, it has the vibrant East Bay. One of the stars of the East Bay is Walnut Creek which, although technically a suburb, has become a business powerhouse in its own right. Many business travelers come to the East Bay and find Walnut Creek as an ideal location for their business dealings. Plus, given its northern location in the Bay Area, it is not far from the "Wine Country" and Sonoma County, making it a great start for weekend getaways. Those who want to search more broadly for corporate housing can visit <https://www.keyhousing.com/search-by-property-type/corporate-rentals/> or reach out to an expert.
