

# Idaho Mesothelioma Victims Center Urges a Navy Veteran or Employee of NRF with Mesothelioma in Idaho to Call Attorney Erik Karst of Karst von Oiste about Financial Compensation-It might be Millions

BOISE , IDAHO , USA, March 18, 2022

/EINPresswire.com/ -- The Idaho Mesothelioma Victims Center is urging a Navy Veteran or a former employee of the Naval Reactors Facility in Idaho who has just been diagnosed with mesothelioma to please focus in on compensation and call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for serious conversation about compensation and a no obligation compensation analysis. Financial compensation for a person like this might exceed a million dollars and will be based on the specifics how the person was exposed to asbestos [www.karstvoniste.com/](http://www.karstvoniste.com/) .

The group says, "Some Internet ads make it sound like mesothelioma compensation is as easy as filling out a claim form---which is not true. Mesothelioma compensation for a Navy Veteran and or former worker will be based on how, where and when a person like this was exposed to asbestos. If a person like this does not hire a lawyer that knows what they are doing--they might be significantly shortchanged on financial compensation. Attorney Erik Karst is one of the nation's leading mesothelioma attorneys and he specializes in assisting Navy Veterans and nuclear power workers. For direct access to attorney Erik Karst of Karst von Oiste please call 800-714-0303 anytime." [www.karstvoniste.com/](http://www.karstvoniste.com/)

The Idaho Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative

available to a diagnosed victim anywhere in Idaho including communities such as Boise, Nampa, Meridian, Wallace, Post Falls, Idaho Falls, Pocatello, Coeur d'Alene, Twin Falls, or Lewiston.
