

Container Masters season one series released on ROKU to stream for free

Container Masters is a 13-episode reality tv series about re-purposed shipping containers - turned into beautiful homes and unique building projects

EVERGREEN, COLORADO, UNITED STATES, January 26, 2022

[/Einpresswire.com/](https://www.einpresswire.com/) -- [Container Masters](#) season one series has been released on [ROKU](#) available to stream for free. Season one Container Masters

series has 13 action packed episodes taking the viewer on a journey of repurposed shipping containers. From beautiful houses to other amazing and unique projects you'll have a front row seat as Container Master, Jim Russell, takes you through the build process to the final reveal.

There are over one hundred and forty million shipping containers in the world. The vast majority of these remain idle and unused. Jim Russell, working with a network of specialty builders is on a mission to change this – one container at a time. Together they re-purpose, upcycle and give these incredibly strong building blocks a second life.
