

The Advocate Recommends Attorney Erik Karst of Karst von Oiste for a Navy Veteran who Now Has Lung Cancer and Who Before 1982 The Veteran Had Navy Asbestos Exposure-Compensation May Exceed \$100,000

RAPID CITY, SOUTH DAKOTA , USA, March 18, 2022 /EINPresswire.com/ -- According to the South Dakota US Navy Veterans Lung Advocate, "If you are a Navy Veteran or person with recently diagnosed lung cancer in South Dakota and before 1982 you had heavy to extreme exposure to asbestos in the navy or at work, please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 about financial compensation that might exceed \$100,000. To be successful with compensation it is very important the person with lung cancer be able to recall the specifics of how they were exposed to asbestos in the navy or at work-before 1982.

"Most people who have recently developed lung cancer and who had heavy to extreme exposure to asbestos in the navy or at work-before 1982 do not realize the \$30 billion dollar asbestos trust funds were set up for them too. We also need to mention it does not matter if the person smoked cigarettes. What does matter is they can recall the specifics of how they were exposed to asbestos in the navy or at work.

"If the person we have just described sounds like your husband or dad-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. Erik Karst is one of the nation's leading asbestos exposure compensation attorneys and he delivers superior results for his clients." www.karstvonoiste.com/

The South Dakota US Navy Veterans Lung Cancer Advocate's free services are available to people with asbestos exposure lung cancer or mesothelioma in Sioux Falls, Rapid City, Aberdeen, Brookings, Watertown, Mitchell, Yankton or anywhere in South Dakota.

Veterans Lung Cancer
Advocate*

The US Navy Veterans Lung Cancer Advocate says, “If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad

fact.” <https://USNavyLungCancer.Com>

States with the highest incidence of lung cancer include Kentucky, West Virginia, Maine, Tennessee, Mississippi, Ohio, Indiana, Louisiana, Arkansas, Missouri, North Carolina, Rhode Island, Alabama, and Delaware. www.karstvonoiste.com/
