

ACADEMY OF THE PACIFIC RIM CHARTER PUBLIC SCHOOL & FRIENDS TALK LIVE CELEBRATE STUDENTS AT HONORS ASSEMBLY

To acknowledge and foster students' academic achievements and social emotional growth

BOSTON, MA, USA, January 26, 2022 /EINPresswire.com/ -- The [Academy of the Pacific Rim Charter Public School](https://www.academyofthepacificrim.org/)

will hold its Middle School Honors Assembly highlighting APR's student achievement and holistic growth with special guests [Friends Talk Live](https://www.friendstallive.com/) (FTL). From 10:17AM-11:20AM, in conjunction with honors certificates that will be awarded, students will enjoy an inspiring half hour FTL show highlighting the importance of friendship and self-love through the ambiance of a live talk show. The event both honors students' academic achievements and social emotional learning. Students will find encouragement to be the best they can be, and be reminded of their inherent self-worth.

Friends Talk Live is designed to raise students' spirits and confidence, and edify their accomplishments through honest conversations, music, games, gift-aways, and "wild surprises". It's a friendship party you don't want to miss! FTL breathes life into the hearts and minds of the children by highlighting and shouting out their magnificent features and excellent qualities. Samarra and Kianna of FTL teach children how to build a strong, virtuous image that's rooted and established in love. Some themes that are incorporated into the show and that might be asked of the audience of 5th and 6th graders are: What do you look for in a friend? What do you value about yourself? And what is the power of your words?

APR's mission is to empower students of all racial and ethnic backgrounds to achieve their full intellectual and social potential. We work every day to provide a space for students to grow their focused minds and big hearts. Our partnership with Friends Talk Live is a natural one because

everything they do and we do is to strengthen and grow young people's holistic well-being. They do this through an exceptionally fun and engaging talk show driven by student participation.

"Ms. Kianna and Ms. Samarra had a magical appearance." -Nilfravi, 5th Grade

"Friends Talk has made a difference in my life because Very Important Friends (VIFs) are nice to me. When you first go even just once, you will learn more about respect than you do in school. You know that feeling when you go to Friends Talk? It changes your attitude. You learn how to be a better person." -Ashley, 5th Grade

"At Friends Talk, what makes you who you are is just believe in yourself and you can accomplish anything in the world." - Kevin, 5th Grade
