addition of Chlorophyll, a key ingredient and the distinct green pigment in plant life.

Chlorophyll Water® is bottled at the source in Pennsylvania, a preserved natural resource protected from all of the elements by a 1,500-acre forest. The purified mountain spring water in Chlorophyll Water® is then distilled and refined through a three-part purification process, which is triple filtered (including carbon filtration), and then UV treated for purity and quality. Each bottle of Chlorophyll Water® is then fortified with additional vitamin A, vitamin B12, vitamin C and vitamin D for enhanced nutrition.

With the popularity, Better Homes & Gardens has declared Chlorophyll Water "The Latest Green Nutritional Trend Taking Over Grocery Stores," calling it "one of the latest trends for improving health...the research that's available does suggest the health benefits of chlorophyll include antioxidant activity, gut-health promotion, and anti-inflammation effects."

Health enthusiasts, nutritionists and yoga teachers have long been advocates of the many benefits of chlorophyll. Celebrity nutritionist Kelly Leveque shared to Harper's Bazaar in an article entitled "Tips to Get a Flat Stomach-The Healthy" to "down chlorophyll."

Yogi Approved, an online yoga and healthy lifestyle publication, stated, "Due to chlorophyll's incredible nutritional value, sipping on liquid chlorophyll daily will [have] an advantageous effect in your overall skin health as this 'super food' is packed with a range of mighty nutrients." The proposed nutrients in chlorophyll led Glamour magazine to publish an article called "Drinking Liquid Chlorophyll Gave Me the Best Skin of My Life" – with "potent anti-aging benefits," the journalist stated that within a week of drinking liquid chlorophyll her energy increased and she experienced "an almost instantaneous change" to her face's skin tone.

Registered Dietician Allie Gregg explains, "There are so many amazing benefits to drinking Chlorophyll Water®! It helps your liver function which improves detoxification, fights carcinogens,

increases energy, helps to balance hormones, aids in weight loss and also fights cravings, reduces inflammation, increases and refreshes your body's red blood cells, [works as a] natural internal deodorizer, and promotes anti-aging and glowing skin."

Dr. Kelly Bay, a functional medicine practitioner, explains that she's a "big fan of Chlorophyll Water®," stressing, "Chlorophyll is a powerful antioxidant and has a wide variety of benefits. Consuming chlorophyll on a regular basis can...aid your body in eliminating toxins. It is a natural anti-inflammatory, which can help reduce chronic inflammatory problems like arthritis. This is why I've always been a big fan of Chlorophyll Water®, especially if you don't consume as many leafy greens as you should."
