BOCA RATON, FLORIDA, UNITED STATES, January 28, 2022

/EINPresswire.com/ -- Bloom Beauty Essence® has rolled out its [Skincare Drink with Collagen](#) to American consumers.

“Consumers today are more interested in how they look and how healthy-looking their skin appears,” said Annette

Steiner-Kienzler, product developer and pharmacist for R-Pharm, a German

pharmaceutical company. “Fifty years ago consumers didn’t worry about the sun damaging their skin. Beauty was more concerned about cosmetics that hid blemishes.”

Low Calorie Bloom Beauty Essence® Skincare Drink with Collagen

Bloom Beauty Essence® provides a Skincare Drink with Collagen that you can take on the go to keep skin healthy-looking.

“Our drink with collagen combines natural antioxidants from black currants with aloe vera, vitamin B3, biotin, and a special, high-quality collagen complex with high bioavailability,” she added. “We have regular and low-calorie varieties.”

Steiner-Kienzler said Bloom Beauty Essence® provides a Skincare Drink with Collagen that is a healthier and great tasting drink compared to all the sugary beverages on the market.”

“We know that sugar has a bad effect on your skin,” she said. “Soda, which is the top source of added sugar in Americans’ diets, increases inflammation. Excessive sugar adds wrinkles to your

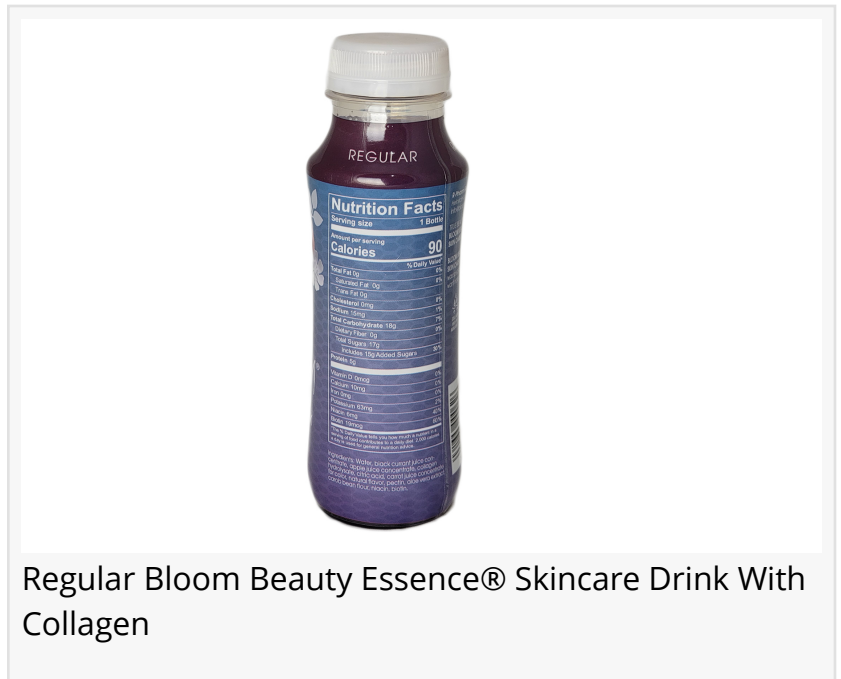

face and dull, saggy skin.”

Steiner-Kinzler said Bloom Beauty Essence® puts the same amount of collagen that is in a collagen shot.

“But our drink is tasty and you don’t have to see a dermatologist to get it,” she added.
