Eve Mayer, CEO of Diversity Crew stated “I'm thrilled to have my second business to be a WBENC member. WBENC offers me the ability to connect with like minded women entrepreneurs and reach organizations I hope to serve more equitably.” “We are proud to be 100% woman owned and thrilled that our team is made up of a rich tapestry of

humans with over half our team being women and/or people of color.”

The WBENC standard of certification implemented by the Women's Business Council Southwest is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated, and controlled by a woman or women.

By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier diversity programs.
