

NobelBiz's Webinar Series Welcomes Christian Montes to Talk About

Profitable Trends for Contact Centers in 2022: Talking About Success Through the Lens of Trends, Community & Technology

CHEYENNE, WYOMING, UNITED STATES, February 1, 2022

/EINPresswire.com/ -- NobelBiz just released a brand-new [webinar episode](#), featuring one of the most prominent experts on contact center technology, Christian Montes, to talk about success in 2022 through the lens of trends, community & technology.

Christian Montes, Executive Director of Sales at NobelBiz, is the host of First Contact Podcast - Stories of the Call Center, where he interviews our

industry's leaders on how they got their start in the Call Center space. Christian also contributes with some unique content as the host of the NobelBiz [Webinar Series](#) which brings together top leaders in the industry to discuss important topics and share best practices. These regular meetings that Christian holds with some of the leading experts in the field of contact centers make him one of the most informed people in the entire space.

“

It's hard to be profitable when you have unhappy employees and unhappy customers!”

Christian Montes

The 15th episode of the NobelBiz Webinar Series premiered Wednesday, January 27th, 2022 / 12 pm EST | 9 am PT. The webinar can now be accessed on-demand on the NobelBiz official website.

For the 1st webinar in 2022, NobelBiz wanted to create something special. Because January is probably the best time to plan for the year ahead, we thought to share with our audience the most important trends that will shape the contact center space this year. And because this will be a somewhat different webinar episode, we wanted to add yet another surprise to the mix and

The graphic features the NobelBiz logo at the top, which includes a red dragon icon and the text "nobelbiz Contact Center Technology". Below the logo is a red banner with two circular portraits. The left portrait is of Michael McGuire, labeled "Host", with his title "Director Of Contact Center Digital Transformation @NobelBiz" below. The right portrait is of Christian Montes, labeled "Guest", with his title "Executive Director of Sales @NobelBiz" below. At the bottom of the graphic, it reads "Host: Michael McGuire, Guest: Christian Montes".

make a pivotal change to the format of the webinar.

This time, our beloved host, Christian Montes will be sitting on the guest chair. The discussion will be led by Mike McGuire and will revolve around what will make a contact center shine in 2022 and beyond.

Watch this exclusive episode to learn about:

- The importance of the contact center community
- Defining success for a contact center business
- How is 2022 special?
- Turnover & Work from Home
- Trends that might influence the contact center space in 2022

NobelBiz is a Contact Center software and voice carrier provider that has grown to serve Contact Centers globally.

Being more an extension of its clients' services, rather than a direct vendor, the company combines multiple carrier systems into a single unified network with worldwide backups. NobelBiz also offers advanced [Omnichannel software solutions](#) that handle text (email, webchat, sms), social media, and voice in a single interface.

The NobelBiz webinar series aims to deliver monthly information-rich episodes that can teach you how to improve your Contact Center business.

Are you a proud member of the Contact Center industry? Do you want to impart your knowledge to our viewers? Do you know anyone who fits these criteria? Email us at mirela.otea@nobelbiz.com and let's set up a meeting.
