

EDRM Announces DiscoveryMaster LLC Renews Trusted Partner Status

MINNEAPOLIS, MN, USA, February 10, 2022 /EINPresswire.com/ -- Setting the global standards for e-discovery, the Electronic Discovery Reference Model (EDRM) is pleased to announce [DiscoveryMaster LLC](#), who automate project metrics and QC stats for document review projects in Relativity, has renewed their Trusted Partner status with EDRM.

eDiscovery technology will play a central role in organizations as they strive to rebound from the current global crisis as more cohesive, more stable and more productive entities. Robust e-discovery technology, supported by expertise and services, helps organizations respond to litigation, compliance and investigation demands. In a new era of remote work at scale, organizations need to securely manage information, protect confidential and privileged access and collaborate effectively to be efficient and productive and adhere to the increasing complex demands of security and data privacy frameworks.

“

Introducing legal software to the marketplace is difficult enough – I can't image doing it without the friends, supporters, and early adopters we've found because of partnering with EDRM.”

*Ryan Short, vice president,
DiscoveryMaster LLC*

“The EDRM community is like having a built-in advisory committee,” says Ryan Short, vice president, DiscoveryMaster LLC. “Introducing legal software to the marketplace is difficult enough – I can't image doing it without the friends, supporters, and early adopters we've found because of partnering with EDRM.”

“The feedback we've received has directly led to adjusting our long-term vision and development roadmap. The

caliber and candor in conversations is very impressive,” added co-founder and CEO Ray Biederman, DiscoveryMaster LLC.

Among the EDRM opportunities and resources available to partners like DiscoveryMaster LLC are the ability to connect, network and contribute via EDRM projects and events, share their service and product offerings and enhance brand awareness to a global community. The EDRM community of knowledgeable, multidisciplinary professionals is building resources to enhance e-discovery, privacy, security and information governance frameworks, processes and standards.

“We are excited to continue working with the experienced team of litigators, technologists and reviewers at our trusted EDRM partner, DiscoveryMaster LLC,” says Mary Mack, CEO and chief legal technologist at EDRM. “We are looking forward to sharing their fabulous platform with our global community.”

This partnership allows DiscoveryMaster LLC access to the EDRM community, comprised of 33% corporations, 30% law firms and 23% software and service providers, 12% governments with the remaining 2% being a mix of educators, students, judges and media in 136 countries spanning six continents.
