

SmartKarrot and Success Chain Announce Strategic Partnership

Partnership combines SmartKarrot's next-gen, innovative customer success technology with Success Chain's high-impact, sustainable customer success services.

LEWES, DELAWARE, UNITED STATES, February 1, 2022 /EINPresswire.com/ -- [SmartKarrot](#) and [Success Chain](#) are pleased to announce today that they have entered into a global strategic partnership.

The SmartKarrot – Success Chain partnership brings together deep skills in customer success technology and services to unlock the full potential of customer success transformations and place customer-centric B2B organizations on the best path to sustainable, scalable success.

SmartKarrot's next-gen customer success technology empowers businesses with intelligence-driven innovations to drive predictable and repeatable success from onboarding to advocacy. Success Chain's high-impact customer success programs help build, optimize, and scale sustainable customer success organizations, processes, and outcomes. Together, their unique capabilities fill a market need by seamlessly bringing together all the tools, services, and support companies need to transform customer success.

"Success Chain's services around change management and CS consulting complement the SmartKarrot platform," said Prithwi Dasgupta, Chief Executive Officer and Co-founder of SmartKarrot. "This will provide SmartKarrot customers access to these services at all stages of their CS journey."

"As customer success is booming, we are sure that our partnership will generate complementary added value for the CS community," said Sue Nabeth Moore, Co-founder of Success Chain.

ABOUT SMARTKARROT

SmartKarrot is a modern, intelligence-driven customer success platform to help B2B organizations manage and grow their customer portfolio. Customer-centric enterprises and SMBs across industries use it to grow their NRR by driving successful onboarding, adoption, engagement, retention, renewal, upsell, and revenue growth at scale.
