

Cardiovascular Associates of America Partners with Industry Veteran, Suzette Jaskie

Jaskie Brings Two Decades of Cardiovascular Services Leadership to CVAUSA

ORLANDO, FLORIDA, UNITED STATES, February 1, 2022 /EINPresswire.com/ -- Cardiovascular Associates of America (CVAUSA) today announced the appointment of industry veteran, Suzette

Jaskie as a senior strategic advisor effective immediately. Ms. Jaskie will consult for CVAUSA providing advice on strategic service line growth, development and performance as well as physician engagement and management. Jaskie will work closely with CVAUSA's chief executive officer, Tim Attebery, along with the physician and administrative leaders of the CVAUSA network.

“

I've known Suzette for 20 years and have the highest admiration for her skills, knowledge, passion, and expertise. We look forward to her making an immediate impact at CVAUSA.”

Tim Attebery, CEO of CVAUSA

“We are thrilled to have Suzette as a strategic advisor. I've known Suzette for 20 years and have the highest admiration for her skills, knowledge, passion, and

expertise. She is very accomplished and well-known in the cardiovascular services community, and we look forward to her making an immediate impact at CVAUSA,” said Tim Attebery, CVAUSA chief executive officer. “Suzette's contributions and advice will significantly enhance CVAUSA's ability to achieve its mission: empowering cardiovascular specialists to transform patient care.”

“I am excited to work with Tim and the CVAUSA team,” said Suzette Jaskie, senior strategic advisor, CVAUSA. “CVAUSA's vision is very compelling and timely. I believe there's a tremendous opportunity for cardiologists and other cardiovascular specialists to lead an effort to provide more value for patients, hospitals, payors, and self-insured employers. I look forward to applying my insights in support of the CVAUSA network.”

Suzette has held many prominent positions in healthcare including vice president of the Cardiovascular Service Line at Ascension Wisconsin. At Ascension, Suzette was responsible for the operating structure across 22 hospitals and associated clinics. Prior to that, Suzette was senior vice president, Clinical, Regulatory and Medical Affairs at Corindus Vascular Robotics. Additionally, Suzette was President of MedAxiom Consulting, establishing cardiovascular specific management, operations and financial services and solutions.
