

# ChiLin Global Fiduciary Services Ltd Selects PFS-PAXUS

DOUGLAS, UNITED KINGDOM, ISLE OF MAN, February 1, 2022 /EINPresswire.com/ -- Pacific Fund Systems (PFS), the leading provider of global [fund administration software](#), is pleased to announce that ChiLin Global Fiduciary Services Ltd ('ChiLin Global'), a Mauritius based specialist international professional services firm and full-service fund administration provider, has selected the PFS-PAXUS [fund administration system](#) for its third-party fund administration business operations.

ChiLin Global specialises in providing customized and value-added services to meet its clients' needs. In addition to fund administration services, ChiLin Global offers fund registration and licensing, company management and various outsourcing services. PFS-PAXUS will provide ChiLin Global with a complete back-office fund accounting, multi-currency, portfolio valuation, fund pricing and transfer agency solution in a single, automated and fully integrated system for the administration of its investment funds.

Following an extensive and detailed procurement project seeking a fund administration system to assist the growth of its rapidly expanding third-party fund services business, ChiLin Global selected PFS-PAXUS, opting for the full SaaS cloud deployment model which allows PFS' clients to benefit from a fully secure vendor hosted solution. ChiLin staff will be able to access PFS-PAXUS from any laptop or PC anywhere in the world, secure in the knowledge all data is managed 24/7 in a highly secure environment, and all upgrades, DRP and ongoing maintenance are taken care of by PFS' experts.

Commenting upon the successful selection of PFS-PAXUS by ChiLin Global, Paul Kneen CEO of Pacific Fund Systems, added:

"We are delighted to welcome ChiLin Global Fiduciary Services Ltd to our global customer base and look forward to supporting their individual growth objectives as the latest client of our
