Hasten Mercy seamlessly blends controlled purposeful instrumentation in his latest "You Don't Leave Me."

LOS ANGELES, CA, UNITED STATES, February 2, 2022 /EINPresswire.com/ -- Hasten Mercy's latest project, "You Don't Leave Me," adds trap and RnB-influences to its growing collection of material. Following his well-received self-titled EP, "You Don't Leave Me" applies the same approach to writing lyrics paired with a new soulful sound.

Innovative, well-thought-out, and with a melodic accompaniment, "You Don't Leave Me" brings a cinematic and symphonic use of rhythmic snares and kick drums. The track brings a magnetic range of tempos while achieving profound, inspiring, and enamoring beats to listeners.
