HALLANDALE BEACH, FLORIDA, UNITED STATES, February 1, 2022

/EINPresswire.com/ -- Renowned [Hollywood Lace](#) is reminding men from around the world that hair systems in today's market are not the same as toupees of the past.

Hollywood Lace is an online manufacturer and retailer of men's [100% undetectable toupees](#) and hairpieces. For the past 15 years, the company has been offering remarkably natural-looking hairline and hair systems to consumers who are wanting a fuller hairline, hairstyle, and shape – for a variety of different and personal reasons.

Recently, Hollywood Lace has seen an increase in the number of men on social media who are concerned about their hair loss, yet are uneasy with the idea of purchasing a toupee as a solution. For decades, the word 'toupee' brings a negative connotation - that anyone who uses a toupee is old, doesn't care about their looks, and is outdated. According to Hollywood Lace, however, this really isn't the case as technology and innovations have come a long way in the last number of years.

"All our Lace and Invisible Thin Skin Hair Systems use the finest, lightest, most undetectable materials," says company founder, William Richter. "Our Ultra Super Fine Swiss Lace uses invisible knots, and we apply a weightless sealant on them to provide more durability, less hair pull through, and longer adhesion. What you think you know about toupees is definitely no longer applicable in this day and age."

About the Company

Hollywood Lace was founded by a group of hair system toupee wearers who were dissatisfied with the extensive amount of time it took to order and receive their hair pieces, the lack of professional customer service, and the inconsistent quality of the toupees received. As a result of their experiences, they made the decision to invest in a hair toupee manufacturer of their own – giving them the ability to control the quality, customer care, production time, and cost.

With the support of innovative people in the industry, Hollywood Lace was able to develop its premium hairpieces and trademark Invisible Knots Hair System.
