Burg: Biden Should Send Troops to Southern Border, not Europe

“President Biden is wrong to risk one American life over Ukraine. We should be protecting our southern border not escalating hostilities with Russia. If Biden had held back approval over the pipeline the United States, he would be able to apply pressure to Russia. Unfortunately, he made

the wrong decision as he has done on every foreign policy decision. I hope that our Congressman Chris Smith will have the courage to oppose Biden on this dangerous decision.”
