

Join Dr. Deepak Chopra, Dr. Bradley Nelson and other thought leaders for: Healing from the Inside Out by Awakening World

This event will include thought leaders on plant medicine, energy healing, alternative medicine, as well as musical guests and live Q&A opportunities

LOS ANGELES, CA, UNITED STATES, February 4, 2022 /EINPresswire.com/ -- For the first time ever, global thought leaders in the energy medicine, plant medicine and alternative medicine space join together on February 18th, 19th and 20th for a weekend of "Healing from the Inside Out" hosted by Scott Catamas, Teresa Collins, and Jennifer K. Hill as part of the "Awakening World" series.

Throughout the events meditation and wellness expert, Khadijih Mitchell-Polka, will be facilitating live meditation experiences.

Dr. Deepak Chopra, best-selling author of 91 books including "Metahuman" and "Total Meditation"

Beginning the evening of February 18th, from 7:30pm PT until 9:30pm PT, plant and alternative medicine experts, Neil Markey, Clay Kahler and Dr. Beth DuPree will offer their wisdom on the benefits of plant and alternative medicine in combatting depression, anxiety and PTSD.

“

One of the top 100 heroes and icons of the century."
TIME magazine has described Dr. Chopra

On the evening of February 19th from 5:30pm until 9:30pm PT, DEEPAK CHOPRA™ and Dr. Bradley Nelson will be joined by musical guests as they discuss Deepak's latest book and Dr. Nelson shares tools for healing from his best-selling book "The Emotion Code."

Finally, Sunday morning viewers can tune in and ask questions live of energy healers and connect to live energy medicine healing sessions from 10:00am until 11:30am PT

To join this event or to find out more, please use this link: <https://globalpeacetribe.com/>

About DEEPAK CHOPRA™

Clay Kahler is an experienced entrepreneur, product innovator and angel investor in the life sciences and wellness sector. He is also the Founder/CEO of GATEWAY SCIENCES, LLC

About Neil Markey

Neil Markey is the co-founder of Beckley Retreats, a previously successful entrepreneur, former McKinsey consultant and C-level business executive. Neil is also a self proclaimed reformed “unhappiness” expert. Prior to his business career, Markey was a Captain in the Army Special Operations, 2d Ranger Battalion, and was deployed once to Iraq and twice to Afghanistan.

He has taught meditation to professional athletes, special forces soldiers, business executives, healthcare practitioners, educators and even operators at our top-level federal intelligence agencies. Neil continues to lead wellness retreats in nature utilizing meditation, plant medicine, and other wellness modalities and sees retreats as a powerful path for human transformation when properly paired with the right “set and setting”, intellectual understanding and community support.
