

ESLOVE launches “Love by Eslove” fragrance to celebrate its anniversary on Valentine’s Day

Love by Eslove is the brand's first fragrance that doesn't come in a dropper bottle

NEW YORK, UNITED STATES, February 14, 2022 /EINPresswire.com/ -- [Eslove, vegan brand and leader in luxury perfume oils](#), is thrilled to announce the launch of their new fragrance “Love by Eslove”. Created to celebrate love, this romantic perfume was launched to honor the brand’s 4th year anniversary on Valentine’s Day. “Love by Eslove” is the first roller ball fragrance created by the brand for those who love feminine and sophisticated scents.

The opening offers fascinating floral notes of sweet pea, enhanced by green tea leaves in the heart of the composition. The base leaves a refined powdery touch on the skin and thus embraces a love story told in a new and modern way.
