About Unified:

Unified is a Kansas-based company that oversees multiple products that specialize and operate as a dynamic pipeline within the esports industry. Founded as "Wichita Esports" in 2015, the company has since expanded its offerings to better serve a national audience.

Unified has built a pipeline for growth that reaches from youth and hobbyist players to semi-professionals. They bring players together in structured, tiered competitions across collegiate and amateur virtual leagues, and provide a physical tournament experience catered to both esports enthusiasts and casual gamers alike.
