

## R&B ARTIST IVEY AMOUR RELEASES NEW SINGLE 'MINE'

ST. LOUIS, MISSOURI, USA, February 8, 2022 /EINPresswire.com/ -- Connecting the dots between Sade's embattled velvety contralto and the casually commanding lyricism of the contemporary R&B scene, artist Ivey Amour goes straight for the heart with new single 'Mine.' Flexing a stunning vocal range, and backed by the subtle, powerful elements of its hip hop undertones, 'Mine' offers its listeners an out-of-body experience, uniquely juxtaposed with a calming sense of internal reflection. The song is available now on [Spotify](#), [YouTube](#), [Apple Music](#), & more.

"It's basically about those early stages of falling for someone," explains Ivey. "That feeling when you really want to spend the night with them." But at its

core, 'Mine' is about flipping the script, unapologetically voicing what you want. It's about desire. Expression. Connection. And Ivey captures this intimacy in the way she sings her multi-layered lyrics: a steady, breathy croon that accentuates the silence between lines, like the space between heartbeats.

“

You are strong enough to do what you want to do. If you work hard, then you can do it. That's what I want people to hear in my music.”
