The appearance in Dubai was part of Sotheby's journey to carry the mystical gem from Dubai to Los Angeles and finally to London where it will set for online auction to the public this February.

Sophie Stevens of Sotheby's was there in Dubai to explain to the public that the number five bears an importance significance to the diamond with 55 facets. The shape of the diamond is based from Middle-Eastern palm symbol Khamsa, which means five in Arabic.

In Los Angeles, California, the Enigma was shown to the public from January 24 to 26.

In February 2, the Enigma will arrive London and put on display in time for the online auction. The online auction will run from Feb. 3-9 and it will go to the highest bidder.
