

DUCON is awarded Alumina Handling Package by NALCO for its Refinery expansion at Vizag Port

THANE, MH, INDIA, February 4, 2022 /EINPresswire.com/ -- [Ducon Infratechnologies Limited](#) ("DUCON") has secured projects in its Bulk Material Handling Segment from National Aluminium Company (NALCO), a Central Government Enterprise and a Navaratna.

Ducon will execute Lumpsum Turnkey project with its proven technology for Alumina Handling & Wagon Loading package at NALCO Damanjodi Refinery Vizag Port, India. The Order Value is in the range of INR 125-150 Crore. Ducon has been NALCO's trusted partner since 2002 and has executed multiple projects. In addition to this new order, Ducon is already executing a project at NALCO's Aluminium Smelter at Angul, Orissa. This is the Second Alumina Handling Project for Ducon in the current financial year

[Aron Govil](#), CMD of Ducon commenting on this order stated " We are delighted to work with NALCO on executing this order. India is witnessing across the board expansion in Indian Alumina Companies/capacities and Ducon is a leader in Alumina Handling/Wagon Loading technologies/expertise and is well poised to leverage its experience and execution capability to see significant scale in orders and order size going forward"

[Mr Govil](#) further added "Ducon is already executing an Alumina Handling Package for Vedanta Limited for its Lanjigarh Alumina Refinery. DUCON is credited with installation of India's Largest Material Handling system in an Aluminium Smelter at Aditya Aluminium Unit of Hindalco Industries Ltd, Sambhalpur, Orissa. Having executed multiple projects, the Company is uniquely positioned to leverage India's world leading efforts in Clean Coal Technologies/FGD (Flue Gas Desulfurization) and Green Coal Projects and significant expansion in Smelter capacities across the board"
