

Leading EB-5 Consultancy Now Offering Free Direct EB-5 Project Review

NEW YORK, NEW YORK, UNITED STATES OF AMERICA, February 7, 2022 /EINPresswire.com/ -- [EB5 Affiliate Network](#) (EB5AN), a leading EB-5 investment fund manager, regional center operator, and consultancy firm has announced that it will now provide free direct EB-5 project review to prospective EB-5 investors. Currently, with the EB-5 regional center program unavailable, direct EB-5 projects are the only option for foreign investors seeking an EB-5 visa.

“With the regional center program currently halted and the minimum investment amount lowered to \$500,000 for projects in targeted employment areas, foreign nationals have an unprecedented opportunity to obtain an immigrant visa through the EB-5 program,” said Sam Silverman, a managing partner of EB5AN. “Direct EB-5 projects do, however, carry some risks that an investor may not be aware of, so we decided to offer free direct EB-5 project review to help investors understand these potential risks and make better informed decisions.”

Mike Schoenfeld, another managing partner of EB5AN echoed these sentiments. “An EB-5 investment is a major decision,” he said. “Foreign investors want and deserve to know about the immigration and financial risks a project may have. Since direct EB-5 projects aren’t sponsored by a regional center, the risks to EB-5 investors may be less obvious. EB5AN has extensive experience with direct EB-5 project documentation, and we are available to help investors at no cost to them.”

To take advantage of this offer, prospective EB-5 investors must simply fill out a brief online form and supply EB5AN with the necessary project documents. EB5AN will then analyze the direct EB-5 project’s documentation for free, providing feedback to help the EB-5 investor make an informed investment decision.

The EB-5 program has facilitated billions of dollars of foreign direct investment into

the United States and created tens of thousands of jobs over the last three decades.
