

Wellness Gets an Envious Option with Local Entrepreneur

*Be Env Wellness & Aesthetics opens its doors in
Pembroke Pines*

PEMBROKE PINES, FLORIDA, UNITED STATES, February 8, 2022 /EINPresswire.com/ -- As Black History Month enters into its second week, another black woman is making her mark on the beauty and wellness industry by opening [Be Env Wellness & Aesthetics](#), 16652 Sheridan Street, Pembroke Pines, 33331. Created, owned, and operated by Novia Markes, a nurse practitioner and holistic medicine enthusiast, Be Env's purpose is to help its clients find solutions to their health issues.

Be Env Wellness & Aesthetics meets a specific need as it is the only nurse-owned wellness center in the Pembroke Pines area. As we learned in the year of nurse, these healthcare providers seek their patient's wellbeing before anything else. Be Env and Markes are no different.

"The mission at Be Env Wellness and Aesthetics is to align physical and mental wellness with empathy and trust," Markes said when describing her latest business venture. "I've been interested in integrated medicine for a long time and I'm excited to now offer additional holistic services to our community."

Be Env Wellness & Aesthetics now offers:

1. Infrared Sauna
2. IV Hydration Therapy
3. Intramuscular Vitamin & Mineral Shots
4. Teeth Whitening

"I want Pembroke Pines to have access to products and services that I love," Markes said. "I've been using our services long before I got to offer them. I'm also excited to partner with other

businesses in our community so we can positively impact the health of South Florida.”

All services now being offered by Be Env are overseen by a nurse practitioner to ensure each customer receives the maximum benefits. As part of its launch week and in honor of Valentine’s Day, Be Env is offering a Month of Beauty package for the price of three weeks.
