THE VILLAGES, FLORIDA, USA, February 8, 2022 /EINPresswire.com/ -- Reverse mortgages in The Villages are becoming increasingly popular and

Florida's Best Reverse Mortgage Company plans to capitalize on the trend by establishing a local presence. Located in the heart of the Villages right next to Brownwood, Florida's Best Reverse Mortgage Company The Villages Office serves The Villages, Ocala, Leesburg, and all of West Central Florida.

"Folks really want to be able to work with someone local and trusted. With that in mind, expanding our retail presence in Florida is very important to us." said Brian Correa, President of Florida's Best Reverse Mortgage Company. "Opening an office in The Villages was a no brainer! Our clients had expressed frustration trying to find and meet with a reverse mortgage professional in Florida to discuss their situation face to face, because most reverse mortgage companies are based in other states and lack a physical presence in the Sunshine State. So we are excited and hope this office in The Villages gives people more options to talk to a local professional about reverse mortgages."

With interest in reverse mortgages in The Villages at an all-time high, Florida's Best aims to serve the local community by providing unsurpassed service with passion and providing as much information as possible to anyone interested in learning more about a reverse mortgage in The Villages, a reverse mortgage in Ocala, a reverse mortgage in Leesburg, or a reverse mortgage anywhere in West Central Florida.

"You can't replace looking someone right in the eye when you are doing business, especially business as important as the equity in your home. Our goal is complete statewide coverage for anyone in Florida who wants to learn more about a reverse mortgage locally. Don't be fooled by celebrity endorsements; we know reverse mortgages and the Florida market better than anyone,

it's all we do!" concluded Mr. Correa.

A reverse mortgage (sometimes referred to as a Home Equity Conversion Mortgage, or HECM), is a mortgage available to seniors as young as 62 (Some programs as young as 55!) that does not require a mortgage payment. Equity in the form of tax-free cash can be used for almost any purpose, although debt consolidation and elimination of current mortgage payments are among the most popular uses.
