

# Top EB-5 Firms to Host Informational Webinar on February 10

NEW YORK, NEW YORK, UNITED STATES OF AMERICA, February 8, 2022 /EINPresswire.com/ -- EB5 Affiliate Network ([EB5AN](#)), a leading EB-5 investment fund manager and consultancy, and Miller Mayer, LLC, a top-tier immigration law firm, will host a live webinar on Thursday, February 10, 2022, at 1:00 PM EST. The topic will be, "EB-5 Investments: Direct vs. Regional Center." [Click here to register.](#)

Currently, [direct EB-5 investments](#) are the only option available for foreign nationals who wish to apply for green cards under the United States' immigrant investor program. The regional center program, which historically has been the more popular option for EB-5 investments, expired on June 30, 2021, and has not yet been reauthorized by the U.S. Congress. While there is a wealth of available information about regional centers, less has been written about direct investments. Many prospective investors have unanswered questions, which this webinar will answer.

"Direct EB-5 investments are the only game in town," says Sam Silverman, founder and managing partner of EB5AN. "Our phones haven't stopped ringing since the minimum investment amount reverted to \$500,000, and the lapse of the regional center program leaves many investors in unfamiliar territory. They want to understand the differences."

The webinar's presenters will include Silverman and partner Michael Schoenfeld along with expert EB-5 immigration attorneys Nicolai Hinrichsen and Kristal Ozmun, partners at Miller Mayer, LLP. Silverman, Schoenfeld, and Kapuria will discuss the key topics that immigrant investors should consider.

Prospective EB-5 investors and others who cannot attend the live event can register to receive a link to a recording of the webinar.

Enquiries should be sent by e-mail to [info@eb5an.com](mailto:info@eb5an.com).
