

Cloudbric Wins 4 Golds and 5 Silvers in Cybersecurity Excellence Awards

Cloudbric, No.1 cloud-based website security provider in the APAC, has earned the prestigious 4 Golds and 5 Silvers in 2022 Cybersecurity Excellence Awards

SEOUL, KOREA, February 10, 2022 /EINPresswire.com/ -- Cloudbric, the No.1 cloud-based website security provider in the APAC region, has earned the prestigious 4 Golds and 5 Silvers in the 2022 Cybersecurity Excellence Awards.

Cloudbric has been recognized as a gold winner in Web Application Security, Website Security, Zero Trust Security and Best Cybersecurity Startup of ASIA in Cybersecurity Company and Cybersecurity Product & Service category and as a silver winner in Best AWS Cloud Security, Cloud Security Company, Cybersecurity SaaS, Best Managed Security Service and Best Cybersecurity Company of ASIA in Cybersecurity Company and Cybersecurity Product & Service category.

These recognitions acknowledge the outstanding performance of cloud-based security solution [Cloudbric WAF+](#) with A.I and logic engine, Zero Trust Network Access(ZTNA)based [Cloudbric RAS](#)(Remote Access Solution) and Cloudbric WMS (AWS WAF managed service).

Cloudbric WAF+ is equipped with a logic-based detection engine and patented A.I. module to provide the highest security standards and lower the already best-in-class false positive rate all over the world. In addition, Cloudbric RAS addresses the drawbacks of traditional uses End-to-End Encryption through Secure Proxy (E2EE) technology to securely connect users and corporate networks.

Furthermore, Cloudbric WMS is an intelligence-based security AWS WAF ruleset management service that provides systematic support to protect web applications against a wide range of

The graphic is a blue rectangular banner with white and gold text. On the left side, there are two identical award logos stacked vertically. Each logo consists of a black box with 'CYBER SECURITY' in white, 'EXCELLENCE AWARDS' in white, a gold star, 'WINNER' in white, another gold star, and '2022' in white. To the right of the top logo, the text reads '4X Gold Winner:' in large white font, followed by four categories: 'Best Cybersecurity Startup', 'Best Web Application Security', 'Best Website Security', and 'Best Zero Trust Security'. A gold trophy icon is to the right of these categories. Below the top section, the text reads '5X Silver Winner:' in large white font, followed by five categories: 'Cybersecurity SaaS', 'Best Cybersecurity Company', 'Best Cloud Security Company', 'Best AWS Cloud Security', and 'Best Managed Security Service'. A silver trophy icon is to the right of these categories. At the bottom right of the banner, the 'cloudbric' logo is displayed in white lowercase letters.
