NEW YORK CITY, NEW YORK, UNITED STATES, February 10, 2022

/EINPresswire.com/ -- [CloudTalk](#), a [calling software](#) provider, today announced it has been named to [G2's](#) 2022 Best Software Awards, placing #15 on the Fastest Growing Products list. Operating a software marketplace used by more than 60 million software buyers annually, G2 is the definitive

online destination to discover, review and manage the technology that businesses need to reach their potential. Its annual Best Software List ranks the world's best software companies and products based on authentic, timely reviews from real users.

This is CloudTalk's 2nd time appearing on one of G2's Best Software lists, earning its place this year thanks to innovating how scaling companies communicate over internet.

"As we continue to accelerate rapid growth, our online marketplace boasts 100,000+ software and services companies in 2,000+ categories and over 1.5 million trusted user reviews. Simply put, G2 is where you go for software," said Godard Abel, co-founder and CEO, G2. "Our annual Best Software List aims to guide buyers on their purchasing decisions, knowing they can trust in the credibility and objectivity of our scoring algorithms. We applaud those companies named to our 2022 list, as they've earned the satisfaction among their customers as well as an impressive market presence."

The top 100 software sellers are ranked based on a combination of Satisfaction and Market Presence scores for each seller, and the top 100 products are ranked based on reviews across all categories they are a part of. To be included in one of G2's Software Sellers or Software Products
