RAD is living up to its name and is truly making a real autism difference.”

Puneet Garg

Autism Difference 5K Fun Run/Walk Attorney Puneet K. Garg, one of the founding partners of Anthem Injury Lawyers, has close ties to the organization and sits on RAD's Board of Directors. Puneet spoke at the event. He detailed the amazing things that the program has done since its inception, including launching a respite care

program to help families. He also highlighted the support that RAD offers to other organizations as well.

RAD'S MISSION TO HELP CHILDREN WITH AUTISM IN SOUTHERN NEVADA

RAD's mission is to make a positive impact in the lives of children with autism and families in the Las Vegas area every day. Its goal is to create a community where every child with autism has access to education, activities, care, and medical resources necessary to live a happy and fulfilled life.

RAD's founder Radhika Shah started RAD when she was just sixteen years old to help children like her brother who are diagnosed with Autism Spectrum Disorder. After realizing the lack of resources and information available to families of autistic children living in the Las Vegas area, Radhika decided to launch RAD. Today, the organization has grown, in part with the help of sponsorship from local organizations and companies like Anthem Injury Lawyers.

RAD has many programs and services available to Southern Nevada families affected by autism. Its programming includes:

- After school programs
- Seasonal programs
- Adult recreation
- ABA training
- Mobility training
- Annual 5K fun run/walk
- Family workshops
- Training seminars
- Sensory-friendly free play events
- Silent auction fundraiser
