Join our Lunch and Learn about how to Invest in Real Estate with your IRA

We're bringing one of Quest's best educational events – our Self-Directed IRA Lunch & Learn - to San Antonio on Thursday, March 24th to teach how to take back the control of retirement money by using a Self-Directed IRA to invest in what you know and understand.

“

You truly can take control of your retirement by investing into assets outside of the stock market, like real estate and crypto, but the first step is learning how. This class is here to teach you!”

Sarah Shellam

Find out how today's investors are avoiding taxation by [investing](#) with a Self-Directed IRA. Hear real case studies and learn how to build wealth beyond the stock market and generate income for the future by investing into assets one knows and understands. With our two investing experts Eddie Speed and Nathan Long, get twice as much knowledge at this general investing Lunch & Learn designed to provide an essential Self-Directed IRA education. This event is completely free and lunch will be provided, but RSVP is required, so make sure to register by going to our website.

Quest Trust Company makes investing fun while putting the control back in one's hands. Quest is a Self-Directed IRA custodian that administers IRAs for the purpose of investing in alternative investments, like [real estate](#), notes, oil and gas, private placements, and more. With a SDIRA, one gets to make the decisions about their financial future, and our staff will provide expert account

administration, the latest online features, and excellent transaction support services. We also offer top Self-Directed IRA education from our certified IRA specialists to our Education Center where to watch videos, join in webinars, and read archived blogs. Take control and reach retirement goals with Quest Trust Company.
