

# Dentira Announces Partnerships with Several Major DSOs and Launches AI-driven AP Automation

*Several Major Dental Service Organizations select Dentira's Platform for its comprehensive product offering*

SAN FRANCISCO, CA, UNITED STATES, February 10, 2022 /EINPresswire.com/ -- [Dentira](#) Inc, a leader in intelligent spend management for the Dental industry, today announced that several major Dental Support Organizations (DSOs) have recently selected Dentira to transform their business by consolidating all procurement vendors on one platform, optimizing ordering experience and providing unified spend insights, thereby ensuring that negotiated savings reach the bottom line.

Dentira continues to execute on its near-term strategy to become the gold standard procurement platform for the Dental Industry by focusing on the needs of Dental Support Organizations as well as independent offices and is proud to announce new partnerships with several leading DSOs including Schulman Group, West Coast Dental, and Riccobene Associates.

"With Dentira, we are now able to seamlessly integrate with our key vendors on a real-time basis, which enabled us to get up-to-date pricing, live inventory and order shipment status." said Haley Gerald, lead Procurement Analyst at Riccobene Associates.

Dentira also now offers Artificial Intelligence (AI) powered Invoicing Module to further help DSOs to streamline their Account Payable with accurate and timely invoice processing. The module fully automates invoice capturing, matching, cost accounting and integrates with all major accounting systems.

"Dentira's AI-powered Invoicing module was a catalyst for change in our decision to move to this new purchasing and procurement platform. We are able to achieve a level of efficiency and accuracy with our 3-way matching process which was not possible before Dentira", said Joseph Alegre, Chief Financial Officer for West Coast Dental. "In addition, we have been able to continuously customize Dentira to meet the needs for our DSO and our model of accountability to spend, which has been priceless".

Being a member-owned organization, Schulman members have access to the official preferred suppliers for their procurement sources and processes. Dentira's ability to quickly customize the

platform allowed us to provide a comprehensive solution that meets the needs for more than 300 Orthodontic practices.
