

ASI Aero Announces 737NG Dismantle

ASI Aero Announces 737NG Dismantle which is the second 737NG dismantle in two months.

BOCA RATON, FL, UNITED STATES,
February 10, 2022 /EINPresswire.com/

-- Today, Aeronautical Support

International ([ASI Aero](#)) announced that they will start dismantling one Boeing 737NG this month. This 737NG marks the second Boeing 737NG ASI Aero has dismantled in the last two months.

“

ASI will continue to make acquisitions of narrow-body, wide-body and regional aircraft platforms to support our global customer base.”

*Dean Morgan, ASI Aero
President*

Material from this aircraft will be sent for repair and overhaul direct from the disassembly location to repair facilities and will be made immediately available for purchase.

For inquiries and more information on this engine material or a tailed list of included material, requests can be sent to sales@asiaero.net.

“In line with the recovery of the domestic markets that

have taken place since early-2021, ASI will continue to make acquisitions of narrow-body, wide-body and regional aircraft platforms to support our global customer base,” said ASI Aero President, Dean Morgan.
