Recreational Vehicle (RV means a vehicular unit less than 40 feet in overall length, eight feet in width, or 12 feet in overall height, primarily designed as temporary living quarters for recreational camping or travel use having either its own power or designed to be mounted on or drawn by a motor vehicle. A recreational vehicle includes motor home, truck camper, travel trailer, camping trailer, and fifth wheel. RVs are most commonly used for living quarters while traveling. People may choose to take a road trip in their RV and use the RV to sleep in, rather than a hotel room. They may even decide to tow their car from the back of the RV so they can
