Mission to Provide Life-Changing Book to All Texas Inmates

HOUSTON, TX, USA, February 11, 2022 /EINPresswire.com/ -- Kenneth J.

Coleman has released his book, *Made To Have Dominion: Why God Created Us*, to teach people who they are and why they were created. His book provides simple keys to stepping into a greater awareness of life's purpose and in the process, teach people principles to live into all they were created to be, receive practical guidance on how to activate the authority they have been given in their life, and from there impact our communities, our churches, and our world.

"This book is one of the greatest, well-organized, pieces of literature dealing with God's Kingdom reigning on earth. It's a simplistic, profound revelation of the power, order and peace that God gave His people to conquer all opposition. We, as Christians are equipped with a heavenly battle to expand God's kingdom."

-Pastor Clarence Williams
