The lineup includes the OHCO M-Series massage chair, today's standard bearer of the global massage chair industry. The OHCO M-Series features the beautiful and unique design

flair of Ken Okuyama, and unequaled massage choreography from renowned Japanese shiatsu master, Akira Okabayashi.

Dan Wall, Managing Partner of Relax In Comfort notes, "This new partnership is the culmination of many years of searching for the best massage chairs in the world. I've spent more than 40 years in the 'comfort business,' and Furniture For Life is the best supplier we have ever encountered. We're elated to present best-in-class luxury massage chairs. Our customers deserve excellence, and we know that people will fall in love with our new and incredible lineup."

According to The Villages store manager, Roberta Randall, "Furniture For Life embodies true commitment to superior customer service and exceptional product quality. This is why I'm excited to be part of the Furniture For Life family. I really want people to experience the magnificent wellness benefits of our new lineup, particularly of our luxury massage chairs."

Roberta also adds, "Consumers are attracted to buying online for one reason: price. But how do you buy a 'feeling' online? It's impossible to assess a massage chair or zero gravity chair without EXPERIENCING it. Now that we have a Furniture For Life gallery, the good news is, we offer the same prices you find online along with the opportunity to try before you buy."

Cliff Levin, the CEO and founder of Furniture For Life, says "Relax In Comfort at The Villages was approved as a licensed Furniture For Life Gallery partner for their sterling reputation and dedication to the comfort needs of Floridians. Their friendly, highly-trained staff make them great partners in our mission to make the world a more comfortable place."
