

# Aspire Technology Partners Achieves Recognition in CRN 2022 MSP 500 Security 100 List for Seventh Consecutive Year

*Professional Technology Services Firm Named to Prestigious Industry Listing for Excellence in Delivery of Digital Infrastructure Solutions and Managed Services*

EATONTOWN, NJ, US, February 14, 2022 /EINPresswire.com/ -- [Aspire Technology Partners](https://www.aspiretechnology.com/) has been named to the CRN 2022 Managed Service

Provider (MSP) 500 list in the Security 100 category for the seventh consecutive year. The annual CRN MSP 500 list identifies leading service providers in North America whose forward-thinking approaches to managed services are changing the landscape of the IT channel, helping end users increase efficiency and simplify IT solutions, while maximizing their return on investment.

Aspire delivers integrated security technologies, advanced threat intelligence, and specially tailored managed services designed to meet the unique demands of customer business environments.”

*John C. Harris, Aspire  
President & CEO*

vendor partners.”

“In addition to having to adjust their own business operations to account for the changed conditions during the pandemic, MSPs have also seen increased demand for their managed communications, collaboration and security services,” said Blaine Raddon, CEO of The Channel

Company. "The solution providers on our 2022 MSP 500 list deserve credit for their innovative and game-changing approaches to managed services in these unpredictable times, as well as their ability to optimize operational efficiencies and systems without straining IT budgets."

The annual MSP 500 list is divided into three sections: the MSP Pioneer 250, recognizing companies with business models weighted toward managed services and largely focused on the SMB market;

the MSP Elite 150, recognizing large, data center-focused MSPs with a strong mix of on- and off-premises services; and the Managed Security 100, recognizing MSPs focused primarily on off-premises and cloud-based security services.

The MSP 500 list will be featured in the February 2022 issue of CRN and online at [www.crn.com/msp500](http://www.crn.com/msp500).

#### About Aspire

Aspire is a professional technology services firm specializing in the delivery of digital infrastructure solutions and managed services designed specifically to achieve our clients' business goals. We believe technology sits at the heart of every enterprise strategy. Our team takes time to understand your business initiatives and align technology solutions to drive the organization forward. Aspire's outcome-driven approach accelerates your journey by combining secure digital infrastructure, world-class design and implementation expertise, and managed services – all centered around transforming today's multi-cloud architectures into enablers of business value. Headquartered in Eatontown, New Jersey, Aspire is focused on serving the tri-state, mid-Atlantic, and New England regions with local operations in Mount Laurel, NJ; Albany and White Plains, NY; and Cambridge, MA. For more information, visit [www.aspiretransforms.com](http://www.aspiretransforms.com).

#### About The Channel Company

The Channel Company enables breakthrough IT channel performance with our dominant media, engaging events, expert consulting and education, and innovative marketing services and platforms. As the channel catalyst, we connect and empower technology suppliers, solution providers and end users. Backed by more than 30 years of unequalled channel experience, we draw from our deep knowledge to envision innovative new solutions for ever-evolving challenges in the technology marketplace.
