

Mojohydra Launches New Tritan BPA-Free Water Bottle With Straw That Is Getting Critical Acclaim From First Time Buyers

Mojostoreuk is thrilled to announce the launch of a new motivational water bottle with straw and time markings

UNITED KINGDOM, February 12, 2022 /EINPresswire.com/ -- Mojohydra Launches New Tritan BPA-Free [Water Bottle With Straw](#) That Is Getting Critical Acclaim From First Time Buyers

This one-litre Mojohydra, [motivational water bottle](#) with time markings, is fast gaining popularity among people who are into cycling, hiking, gym, Sports, and even schoolers and office goers.

Their customers love Mojohydra [water bottle with time markings](#) as its time marking is making it easier for them to remember to drink. This BPA-free product is made with food-grade silicone and Tritan plastic, making it highly durable and leakproof.

First-time buyers have made it clear that this is one of a kind motivational water bottle that encourages them to take their daily water intake through time marking. The product kit also contains a straw which means a user can easily drink from any position without needing to lean or bend. It also has a handle rope, making it easier to carry this 1-litre Mojohydra motivational water bottle anywhere the user wants.

Jennifer from Cleveland, an avid cyclist, quotes, "This 1 litre water bottle is everything I could have dreamed off. Available in multiple color options, now every member of my family has got their own unique color bottle. Since it comes with a safety cloaked lid and silicone seal, there is no

worry about leaks while carrying it on my bike. It just keeps the inside liquid build fresh and dust-proof, which is a definite boon for sports lovers who are into hiking, bike riding, or even school-going students such as my brother.”

Mojohydra water bottle with time markings is available with a smart and ergonomic design that ensures comfort and ease for every user. Simply flip the upper spout of this sports bottle with one hand and enjoy a drink with the silicone straw that never rusts like everyday straws. Its reusability has made it a favorite among people of all ages and gender.

While Mojohydra motivational water bottle is 100% non-toxic, odorless, and BPA-free, its Tritan material provides some extra durability during accident shocks and performs better in the temperature range of 10oc to 96oc. This is a perfect choice for even adult women and girls who are concerned about staying hydrated and want a water bottle that goes with their appearance. Boasting elite workmanship and the use of high-quality raw material, it can be a perfect gift for people’s special someone.
