

# Leafsheets Launches Innovative Platform to Crush Cannabis Industry's High Barriers to Entry

*Repaving the path to cannabis business ownership for driven entrepreneurs with big ideas and lean startup budgets.*

UNITED STATES, February 14, 2022

/EINPresswire.com/ -- Cannabis

industry entrepreneurs aim to disrupt the cannabis industry by developing Leafsheets, a DIY platform making available crucial business [operational documents](#) that are usually kept secret by industry insiders, and available for 6 figure price tags. Leafsheets has repaved the path to cannabis business ownership and operation, lowering the barriers to entry to the cannabis industry one a national scale, using expertise gained from six years of cannabis business strategy consulting with capitalized investor groups and businesses.

“

The cannabis industry lays trip wires every step of the way on the path to licensure and operations. We want to deactivate some of those trip wires and give entrepreneurs a more accessible path.”

*Juliana Whitney, Co-Founder*

Thousands across the country will apply for new dispensary licenses, grow facilities and processing establishments, and few of those entrepreneurs truly understand what it takes to obtain a license, let alone operate a cannabis business. The cost of a consultant and lawyers to help in the process can run in the hundreds of thousands of dollars, just to obtain a license. The current model isn't feasible for most driven entrepreneurs and social equity applicants.

"For years we've seen entrepreneurs that can't get into the industry because they don't have the up-front capital
