history of projects and inquiries, requesting revisions directly from their account, etc. It also assists multiple users of the client's organization in accessing all the old quotes, completed project files, etc., without any interventions.

Shilpa Mittal, CEO of Ulatus, said, "At Ulatus, we constantly work to ensure that our clients' interaction with our brand is effortless. To ensure the best client experience, we have launched a smart dashboard. It is a unified platform where

our clients can easily access all the information regarding their orders and payments within minutes. We have always highly valued our clients and believed in building an everlasting relationship with them by delivering top-notch client experience."

About Ulatus

Since its inception in 2005, Ulatus has become one of the world's foremost language solutions

providers. With Localize to Globalize as their motto, they endeavor to 'go beyond' mere <u>language translation</u> in supporting brands to build a strong local presence. Ulatus goes the extra mile to solve the problems clients face and has developed a host of innovative technology platforms to make all its operations smooth and highly efficient. Ulatus is among the 1% of translation companies in the world to be ISO 17100:2015 certified.
