Launch of Train Like A Cyborg

Fitness isn't just about how much you can bench or how ripped you are. True fitness lies in curated goals tailored to your body type and skill level"

*Jean Fallacara*

"Workouts can never be one-size-fits all, our personalized workout program uses bodyweight workout programs along with beginner calisthenics workout plans. Using these modes of fitness means that extra gym equipment isn't needed; all you require is a workout space and your own body weight" Gregoire Bellemare

Through observation and measurements of your functioning, our program can help you completely change your relationship with your body. You'll learn to

understand what your body is telling you.
