

Footsteps2Brilliance Launches Bilingual Core-Aligned Learning Routine™

Teachers using Footsteps2Brilliance are now able to identify each student's areas of difficulty and assign targeted digital lessons to accelerate learning.

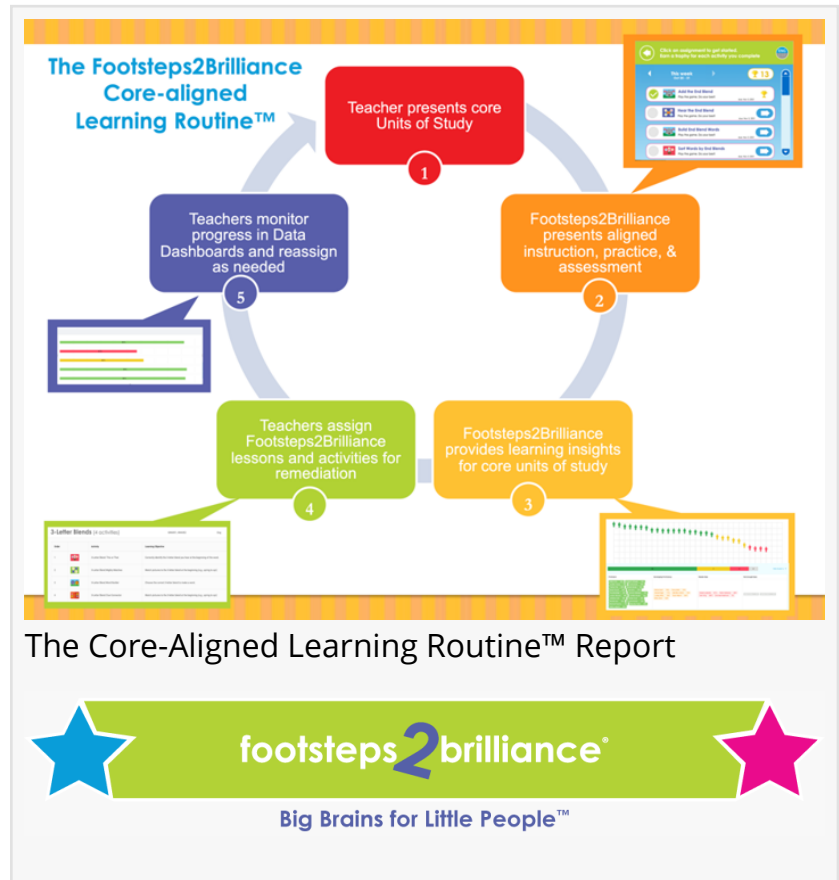

D.C., WASHINGTON, UNITED STATES, February 15, 2022 /EINPresswire.com/ -- The pandemic has interrupted critical classroom learning. More than ever before, teachers need to find and address the unique gaps in each child's learning. To bridge the gaps, [Footsteps2Brilliance](#) now offers teachers the data and tools they need to target instruction and accelerate learning with the click of a button.

The Footsteps2Brilliance Bilingual Core-aligned Learning Routine™ allows teachers to seamlessly implement data-informed instruction aligned to their core curriculum. Teachers are able to identify each student's areas of difficulty and easily assign targeted lessons, saving hours of time. With hundreds of proficiency-based lessons and assignments tailored to what teachers are already presenting in class, students receive the individualized attention they need to succeed.

"Integrating personalized instruction and practice into a student's learning based on areas of difficulty is a real game-changer for teachers and students," said Footsteps2Brilliance founder and CEO, Ilene Rosenthal. "We've taken the guesswork out of what to assign and when to assign it to scaffold students and help them achieve academic outcomes in literacy."

As students progress through the program, teachers can easily pinpoint individual and shared areas of difficulty in their Classroom Dashboard. Assignment and growth reporting enables teachers to monitor the impact of their interventions.
