

# Lighthouse Autism Center Announces Expansion of ABA Services in Indiana

*Leading ABA Provider Set to Open Newest Location in Portage, IN*

PORTAGE, IN, UNITED STATES, February 28, 2022 /EINPresswire.com/ --

Lighthouse Autism Center, a leading provider of center-based, Applied Behavior Analysis ("ABA") therapy, today announced a new center location in Portage, Indiana. Lighthouse Autism Center is currently the largest ABA provider in Indiana with a network of locations across Indiana, southwest Michigan and central Illinois. Autism spectrum disorder is one of the fastest-growing developmental disorders in the United States. As the need for ABA services grow, Lighthouse Autism Center continues to expand in order to help more families and children with autism, reach their goals.

Lighthouse Autism Center's Portage center will offer a unique ABA therapy model that fuses together the sciences of ABA and speech therapy. By blending multiple research-proven therapies into one comprehensive program, and integrating highly trained, compassionate staff, Lighthouse Autism Center offers families the most effective approach to autism treatment available.

"We are thrilled to continue our mission of providing the highest quality autism services to children and families through our newest location in Portage. The newest center will feature a beautifully designed facility with an environment that facilitates natural and play-based learning. With a team of highly trained and compassionate clinicians, children with autism will not only
