

BearRight.net Invites the Trucker Convoys to Openly Use the Platform

BearRight.net Supports The Truckers and Their Desire for Freedom

KOOSHAREM, UT, UNITED STATES, February 16, 2022 /EINPresswire.com/ -- [Freedom of Speech](#) is a prerequisite to the freedoms that are inherent to our very existence. As a company, we [support the protests](#) that those individuals are demonstrating through the [trucker convoys](#) in Canada, the United States and across the globe. We understand that some of the social media platforms are limiting, banning, and censoring speech and communication originating from or to the truckers, and we invite all those individuals to join BearRight.net and communicate freely with their friends, family, and colleagues without fear or intimidation.

At BearRight.net you can post content, images, videos, and links without the fear of being banned or cancelled. If you want to post information to just people you approve, you can do it on BearRight, or if you want to express your thoughts without big tech and the biased media ignoring, misinterpreting, or outright changing what you want to say, you can do it on BearRight.

Speech is only free when all parties feel free to express their fears, concerns and dreams without penalty of censure, cancellation or intimidation. Violence, porn, and similar items are not be allowed on the BearRight platform. At BearRight, the motto and principal belief must always follow the motto – Free Speech for All.

BearRight.net believes that there is a solution to this cancel culture that is quickly destroying countries across the globe. No longer do people have to be afraid of saying what they really believe. Far too many individuals are fearful of stepping on someone else's toes. It's time to quit being the "Silent Majority." Cancel culture has to stop, and it will, when we just stand up for the rights belonging to all of us.

BearRight.net is proud to invite all those people who support the truckers to join the platform where free speech is sacred. Please pass the word to your friends and family that BearRight.net is a platform that values personal freedom.

We welcome all the truckers and their supporters to join BearRight.net where they can communicate freely.
